IPAI Advanced Designations: Leadership Reporting Form

Directions: Fill out the form for each type of leadership experience with the tier level, the type of experience, a brief description, and the date(s) the leadership experience occurred. Documentation is needed for any leadership requirement that took place outside of the IPAI, and may include:

- Scan of conference program book or app screenshot with presentation information.
- Website, screen capture, or meeting minutes indicating board / committee membership.
- Copy of publication (or first page of publication).
- Copy of announcement of community presentation.
- Letter from project lead or board president noting participation.
- Letter from mentorship program lead or mentee describing participation.
